

I am in support of radio station K-LOVE, 90.3 FM in my area. This radio station is a vital part of my community and I listen to it 95% of the time that my radio is on. This radio station is family friendly and can be on when young children are within listening distance of the radio. It supports family values and positive character attributes that I would like my children and grandchildren to emulate. I know many people in my area who listen to this station and we would all be terribly disappointed if it were replaced by an LPFM station. It is obvious that this station is wanted by many people since it is financially supported by it's listeners and not by commercials. It promotes positive values and would be in the best public interest to continue to be heard and not replaced. Please let K-LOVE continue. Thank you. Janis Parsell
